Re: Docket No. 2012-136-C; Hearing Officer Directive dated May 29, 2012
and Intrastate Access Tariffs

Dear Ms. Boyd:

Pursuant to a telephone conversation with David Butler today, please accept this letter, submitted on behalf of Global Connection Inc. of America ("Global" or "Company"), as Response to Hearing Officer, David Butler's, Directive dated May 29, 2012. Global states that while it does have a few access lines, it does not charge for these lines. For this reason Global is unable to respond to Attachments A and B of the directive. Because it does not charge its' customers for access lines, Global is not required to file tariff revisions or an access tariff. Should this change in the future, the Company will file the necessary tariff or revisions as required by the South Carolina Public Service Commission.

If you should require additional information or if you have any questions, please feel free to contact me as indicated above.

Very truly yours,

Angela Briggs
